By letter dated 16 January 1996 you requested the Commission for Environmental Impact Assessment (EIA) to advise on Terms of Reference (ToR) for the Environmental Impact Statement for the Pakistan Tanners Association's development strategy for the tannery sector of Sialkot, Pakistan.

I herewith submit the advice prepared by a working group of the Commission for EIA.

The base line information which has been asked for in this advice may serve to determine an adequate strategy and the preparation of a plan of action as well.

The Commission hopes that this advice will constructively contribute to the formulation of the Terms of Reference for this EIS.

The Commission appreciates to be informed about the use the DGIS makes of the advice.
