Dear Mr Brouwer

- By letter dated 1 May 2000, on behalf of the minister for Development Co-operation, the Commission for Environmental Impact Assessment (the Commission) has been invited to advise on the quality of the following project in the People's Republic of China: Master plan for the /rehabilitation of Lake Tai. The project consists of two phases: first phase, preparation of an Engineering study (published on 24 January 2002) and second phase preparation of the Master plan. It is my pleasure to submit herewith the advisory review of the second phase of the project.
- The Commission will be available to review the final Master Plan.

The Commission appreciates to be informed about the use that is made of this advice.
